	U. of Michigan Current Conditions	Nov. F	--	113.6	

November 17, 2017 Treasuries are trading higher in price on the long end of the curve with more flattening being felt as the dollar weekend against most major peers and as a probe into the Russian influence on the 2016 U.S. election was said to have deepened. The latest sign is that criminal investigation is aggressively pursuing links between campaign officials & Russia. The House passed its version of the tax bill yesterday. DJ FUT is currently trading down 27 points.
